Workshop On Stress Management (For Classes X And XII) 06 December 2019

The students of Classes X and XII are appearing for pre-Board and Board Examination for the session 2019-20.

In today's world children are demanded to perform beyond their capacities, be it academics or personal life. Although stress is a critical part of everyone's life, it is important to deal with it effectively. Stress, if left untended can lead to life threatening conditions while effective Stress Management will improve mental health resulting in better performance"

The objective of the workshop is to help the students identify the stressors and effectively deal with it.

The Workshop aims at discussing the various concepts of Stress Management and the methods (like meditation, yoga, etc.) through which it can be reduced.

My both children, elder
daughter R.S. SANJANA (9-F)
and younger son R.S. Akhilesh (6-E)
attend the Pragya Yoga in AFBBS.
I could see ~~[illegible]~~ good change
in their confidence and behavior
from the very first day ~~[illegible]~~ of the
study class. The course is
very very good and worth it.

NOTE

This is a effective program
It is really amazing. But
School should carry out such
programme in future to boost
up each child who are studying
in this school. Accordingly, I
suggest ~~that every month~~
~~such programme~~ at least one
day ~~in~~ in a month should be
conducted.

Thanking you
