GRAND PARENTS DAY CELEBRATIONS

Amidst the fragrant blossoms of April's embrace, the Junior Wing proudly unfurled the tapestry of tradition, hosting a jubilant celebration within the hallowed halls of Tejas Hall on April 3rd, 2024. Here, beneath the benevolent gaze of our Respected Principal, Mrs. Sunita Gupta, and our esteemed Headmistress, Mrs. Anju Singh, generations converged in a heartfelt symphony of familial love and cherished memories.

Grandparents, dressed in the elegance of their wisdom, were welcomed with open arms and heartfelt words, as the luminaries of our school invoked the spirit of unity and kinship that transcends time. The air buzzed with anticipation as the program unfurled, designed with meticulous care to honor the sacred bond shared between grandparents and grandchildren.

In the radiant glow of laughter and joy, an array of delightful games awaited, inviting grandparents to partake in the exuberance of youth alongside their beloved progeny. With spirits soaring, grandparents and grandchildren joined hands in playful camaraderie, forging unforgettable moments that danced upon the canvas of cherished memories.

As the echoes of mirth and camaraderie filled the air, it became abundantly clear that the Grandparents' Day celebration had blossomed into a resounding triumph, weaving threads of love, laughter, and timeless connection throughout our vibrant school community.
