Junior School

ORIENTATION DAY

On the vibrant morning of March 27th, 2024, the Junior Wing of our esteemed institution orchestrated a grand Orientation Day within the illustrious confines of Tejas Hall, extending a warm welcome to the esteemed parents of our youngest learners, the UKG and Class 1F students.

Guided by the esteemed presence of our Respected Principal, Mrs. Sunita Gupta, and our esteemed Headmistress, Mrs. Anju Singh, the event served as a beacon of insight into our school's ethos, infrastructure, and illustrious achievements, aiming to cultivate a profound sense of familiarity and camaraderie among the gathered parents.

The day commenced with an enlightening discourse, where the dignitaries illuminated the intricate tapestry of our school's administration, coupled with a visual journey showcasing our state-of-the-art infrastructure and remarkable accomplishments. Following this, with eager hearts and curious minds, the parents embarked on an immersive tour of our campus, led by our dedicated Junior Wing teachers, who offered invaluable insights into the daily life of our vibrant learning community.

As the day unfolded, the crescendo reached its pinnacle as parents were ushered into the sanctum of their child's classroom, where they were treated to an engaging presentation meticulously crafted to acquaint them with the nuanced fabric of class and school protocols. With every slide and explanation, a deeper bond was forged between the school, the parents, and the cherished young learners, setting the stage for a harmonious journey of growth, exploration, and academic excellence.
