**CIRCULAR FOR CAB (COVID APPROPRIATE BEHAVIOUR)**

1. In view of the increasing cases of COVID infection, the school administration is taking all possible precautionary measures to prevent spreading of COVID infection in the school. The school authorities are monitoring the situation closely and in case a COVID case is reported, the particular class and section is being switched to online classes as a precautionary measure for few days. Moreover, all the classrooms are being sanitized everyday after the school gets over.
2. In this regard, following measures are to be mandatorily followed by all the students, staff and visitors to the school.
  - (a) In case any student or staff have any symptom of COVID, like headache, fever, cold, cough, he/ she proceed should on leave and inform the school authorities accordingly. In no case such student / staff should be present in the school.
  - (b) In case, any family member of student / staff has tested positive for COVID/ has suspicion of COVID, such student / staff should isolate themselves at home and inform the authorities accordingly.
  - (c) Wearing of face mask is compulsory at all times while in school and in the bus/ van.
  - (d) Social distance should be managed to the maximum possible extent.
  - (e) Hands should be cleaned with sanitizer/ soap and water frequently.
  - (f) Sharing of tiffin and other stationery items is not permitted.
  - (g) Avoid touching of railing of the staircase, handles of the doors, etc.
  - (h) All are advised to take bath and change clothes after reaching home.
3. It will be appreciated if parents ensure a responsible and safe behaviour from their ward(s). Co-operation from all the parents, students and staff is solicited in maintaining healthy and effective learning-teaching environment in the school.

  
Principal
