Workshop in collaboration with Delhi College Of Photography (DCOP)

The Photography club in collaboration with Delhi College of Photography (DCOP) organized a workshop on "Commercial photography: Food and product" on 17th May 2022. DCOP is one of the most prominent institutions in the field of Photography. AFBBS Principal Mrs. Sunita Gupta welcomed the DCOP team. The workshop was organized for our young budding photographers from class 6 to 9. The workshop was hosted by DCOP team, consisted of Mr. Pratik Dhawan – Director of DCOP along with Mr. Abhimanyu – Lecturer.

Mr. Pratik Dhawan and team presented a lot of valuable knowledge regarding commercial photography which proved out to be highly valuable for our young photographers. The session was equally enjoyed by everyone and was indeed a moment to cherish for our

young minds. DCOP also provided a two-month scholarship on Pro Foundation Photography course to two of our students.
