## REPORT : GAME CHANGERS

The Bizzbuzz club of our school organised a competition “GAME CHANGERS” for students of class 11<sup>th</sup> and 12<sup>th</sup>. The competition focused on encouraging students to take a step towards being financially literate and by giving them an opportunity to measure their acumen in the world of financial markets.

The competition lasted for two days that were 31st January and 1st February 2022. 21 teams participated in the competition. The competition consisted of 4 rounds . The duration of each round was of about 40-45mins

1st position was secured by TEAM 5 : Manasvi singh and Abdullah anwar of 11D

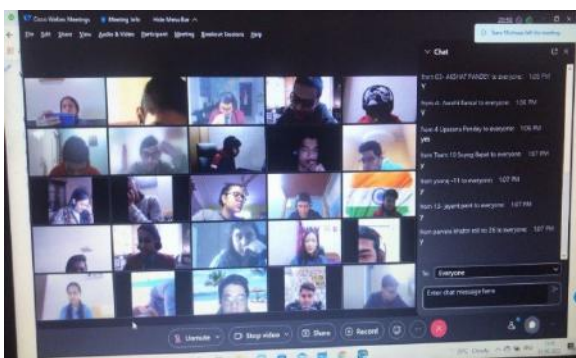

2nd position was secured by Team 18: Dhruv Singh and Ehsaas Bhattarai of 12D

3rd position was secured by Team 3 : Akshat pandey and Lakshita singh of 11D

All the winners were given e-certificates for their exceptional performance.

After the event got over we got an overwhelming response from all the participants stating about how exciting and fun the event was . This competition was a new experience for everyone. It helped the participants to test their analytical skills and instincts and with this we were successful in building up confidence in our fellow mates to enter the real stock market and be the next BIG BULL
