

## AIR FORCE BAL BHARATI SCHOOL, LODHI ROAD

### CYNEFIN CLUB REPORT

As per the directions of the Directorate of Education (DoE) pledge on conservation of wetlands was sent to all schools' eco clubs; for spreading awareness about the overuse of resources and land degradation. On 23<sup>rd</sup> January 2024, the pledge was taken by all the students during the assembly. All students in unison took the oath to protect the wetlands on our Nation.

Entirety of the faculty members of Air Force Bal Bharati School contributed to this oath taking. We hope that our future alumni would follow this oath they took, and preserve our wetlands from potential disasters which we humans cause. The circular sent by DoE was for the same purpose, to make our young minds aware about the significance of wetlands in our nation and many other lives.
