

Photography Club's "Hunt e Click 2.0" Treasure Hunt Report

The Photography Club of Air Force Bal Bharati School recently organized an exciting and innovative event, "Hunt e Click 2.0," a Photography treasure hunt aimed at students from classes 9 to 12. This event showcased the creative talents of the students through three unique rounds.

Round 1: Photography Quiz In the first round, participants were challenged with a Photography quiz that tested their knowledge of camera equipment, techniques, and famous photographers.

Round 2: Riddle-Based Search and Click Round 2 was an engaging challenge that combined problem-solving skills with Photography. Participants received riddles leading them to specific locations within the school premises.

Round 3: Cipher Hidden Themed Photography The third and final round was a test of students' decryption skills and artistic vision. Participants received encrypted messages that, when decoded, revealed a theme for their Photography. They were then required to take pictures that embodied this theme.

An impressive 35 teams, consisting of students from classes 9 to 12, enthusiastically participated in "Hunt e Click 2.0." The event not only encouraged teamwork but also promoted the art of Photography in a fun and interactive manner. It was heartening to witness the passion and talent displayed by the participants.

The results for the competition were as follows:

 1st Position: Advait Nair and Harshvardhan (Class 12-C)

 2nd Position: Aditi Kaushik and Yashi (Class 10-C)

 3rd Position: Abnner Sandhu and Ananya Vasadev (Class 11-B)

Honourable Mention :  Asiya Kaur and Aasim Tauqeer (Class 10B)

In conclusion, the Photography Club's "Hunt e Click 2.0" treasure hunt was a resounding success. It not only provided a platform for students to showcase their Photography skills but also fostered a spirit of adventure, teamwork, and creativity. The event's popularity and participation highlight the school's commitment to promoting the arts and encouraging students to explore their creative potential.
