STREAM ALLOCATION (CLASS XI) FOR THE SESSION: 2019-20

Dear Parents,

This is to inform you that stream allocation for class XI will be done on the basis of Class X Board result in order **to avoid reshuffling and inconvenience later on.**

"Setting goals is the first step in turning the invisible into visible" and to guide children on the right path considering their interests and aptitude, selection of a stream is an extremely crucial step for students as it lays the foundation for their professional life.

It has been experienced by the school that sometimes students opt for subjects under undue peer pressure or parental aspirations without making a realistic assessment of their own interests and aptitude. Therefore, the School has planned an elaborate schedule for all students of Class X awaiting their board result.

The schedule involves the following activities:

- a) **Classes for all the subjects/streams** will be held to give an insight into all the subjects.
- b) **Orientation program** exploring and highlighting all available career options. The students will have interaction with experts in various fields.

The above mentioned activities are being conducted to ensure that students take well informed **decision about stream allocation without any prejudice.**

Besides these activities, there will be:

- c) **HPE (Health and Physical Education):** a mandatory requirement as per latest CBSE curriculum) which include various games/sports, Health and fitness program, SEWA (Social Empowerment Through Work Education and Action) and maintenance of Health and Activity records of each student.
- d) Improvement of English Proficiency skills.
- e) Educational Excursions.

Parents of all those students who would like to continue in class XI in AFBBS are required to fill the admission form and deposit the general fees for the same within stipulated time. In case the student doesn't apply for it by **25/04/2019**, seats will be allotted to outside candidates.

The criteria for stream allocation for class XI remains the same as notified earlier and is available on school website. Stream allocation will be done only after class X Board result.

Venue for the classes: Students will be seated in the corresponding section of Class XI for e.g. X A will sit in the classroom XI A and likewise. Classes for all sections will commence on 23/04/2019(Tuesday).

As the sections will be allotted after the Stream Allocation, at present, the fees slips will be generated mentioning the class as '**11-X**'.

The detailed schedule for classes will be uploaded on the school website by 18/04/2019 (Thursday).
