

Inauguration of the Innovation Wall

Date: October 11, 2023

The School Innovation Club celebrated a momentous occasion with the inauguration of the Innovation Wall.

The day commenced with an opening ceremony attended by our school principal, Ms. Sunita Gupta,

The centerpiece of the event was the ribbon-cutting ceremony to unveil the Innovation Wall.

The Inauguration of the Innovation Wall was a resounding success, promoting innovation and creativity among the students of Air Force Bal Bharati School. The ribbon-cutting ceremony served as a symbolic moment that encapsulated the school's commitment to fostering creative thinking. The principal's interest and interaction with the council underlined the school's support for innovation. The Innovation Wall, with its visual record of past accomplishments and magazine outline, was a testament to the club's dedication to nurturing innovative thinking. The overwhelmingly positive feedback from students, parents, and faculty underscores the significance of integrating innovation into education. The Innovation Club Council remains committed to its mission of nurturing innovation and looks forward to future events and initiatives that will continue to inspire and empower the students.
