

MAIDEN NAVAL INNOVATION AND INDIGENISATION SEMINAR

'SWAVALAMBAN'

(18-19 JULY 2022)

Our School was invited for Maiden Navel innovation and indigenization seminar 'SWAVALAMBAN ' (18-19 July 2022).

The inaugural session was followed by session dedicated to Innovation, Indigenization, Armament and Aviation. An exhibition by the industry showcasing indigenized and export ready products be the highlight the event and would certainly be an attraction for students.
