

MATHS CLUB

Maths club plays an important role in forming interactions between faculty and students and generating interests in mathematics. It is attended by many maths enthusiasts. Participating and organizing activities related to mathematics, students' vision about maths changes in a positive manner and they are able to overcome pre-existing phobia about the subject.

The importance of mathematics becomes evident from the following.....

“MATHEMATICS, RIGHTLY VIEWED, POSSESS NOT ONLY TRUTH, BUT SUPREME BEUTY”

-BERTRAND RUSSEL

Maths Club Members-2018-19
