**THE NATURE APPRECIATION CLUB**

wishes you all a **Happy Republic Day!**

This Republic Day, let's promise to build a country that will be the ideal place to thrive for our next generation.

On this special occasion, the members of The Nature Appreciation Club have exhibited Patriotism and love towards Nature by conducting a Sapling Plantation Activity

This activity has been done to celebrate India's 73rd Republic Day and also to mark our club's Inauguration activity .

In the following video and pictures members of our club showcases their love for the country and nature, with a promise to build a clean and green nation.

**In- charge of the club- Mrs. Harpreet Kaur**

**President of the club- BHASHA MANDAL,
