

# FLAVOURS OF NATURE REPORT

*1st-5th February*

## ABOUT THE COMPETITION

In the competition, students were asked to make a dish which not only waters up the mouth but is also sustainable for the future and is made out of natural ingredients.

With the arrival of the spring and to seek the blessings of goddess Saraswati the theme of the Competition was selected as "Basant Panchami"

The depiction of nature was visible through the food item which the participants made.

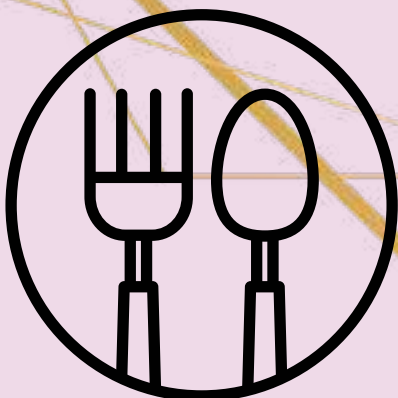

The Competition was from **1st February – 5th February 2022.**

This competition was open for all the students of Class 6th-12th and was also open for all types of foods ranging from Sides, Mains, Dessert or even a Meal.

The background features a light pink color with decorative elements. In the top left, there are pink and white flowers with green leaves. In the top right, there is a red and white checkered mitt. A yellow geometric pattern of overlapping lines is scattered across the page.

# JUDGEMENT CRITERIA

- 1)The presentation of the dish
