

Shramdaan Report – September

Air Force Bal Bharati Junior Wing organized Shramdaan activities under the aegis of Azadi Ka Amrit Mahotsav for the month of September as well.

Here is the class wise report of the activities:

UKG

Students were sensitized on importance of cleanliness and hygiene. Short videos and rhymes on personal hygiene were shown to students.

They also prepared dustbin shaped bookmarks and was taught the importance of segregating wet and dry waste.

CLASS 1

Beautiful drawings were made on the theme “CLEANLINESS AND HYGIENE”. The aim was to make students aware of cleanliness and hygiene in their day to day life.

CLASS 2

Activity - Cleanliness Drive

Cleanliness is key to maintaining a good character and overall well-being. By practicing cleanliness, we can effectively ward off harmful microbes, germs, mosquitoes, and other disease-causing pathogens. It's an important habit to cultivate for a clean and peaceful body, mind, and soul! Students of class 2 cleaned their classroom tables, chairs, windows, doors etc. All students actively participated in the cleanliness drive and understood the importance of cleanliness.

Class 3

Children are made aware that keeping classes clean are of utmost importance . They took part in cleaning their desks and chairs and then arranging them properly. The students were very enthusiastic to do this. The drive motivated both the learner and facilitator to keep their environment clean.

Class 4

Activity - Cleanliness Drive

Our health completely depends on the food and clean environment. "Cleanliness is next to godliness" and the importance of it in our daily life cannot be denied.

It is everybody's responsibility to keep oneself and their surroundings clean and hygienic. So our young students of class 4 followed this and cleaned their tables, chairs, windows, doors etc.

It was wonderful to see their enthusiasm and hardwork.

Class 5

Class 5 students took part in the shramdan activity of cleaning their classroom, tables and chairs on

They took pride in doing this and kept everything in order. This team effort in the form of cleanliness drive inspires and raises awareness in the young minds to keep their environment clean as it keeps us healthy and happy.
