Times School Survey-2019

Times of India conducts a comprehensive and detailed survey of Delhi schools. This survey is regarded as one of the most prestigious and prominent survey. National Capital Region (NCR) is divided into different zones and schools are ranked zone wise.

Schools are divided into two categories- the Top 10 schools are Leaders and the next 10 schools are called Challengers in every Zone.

AFBBS has always featured as one of the leading schools in the survey. Initially the school was considered in the South East/South West Zone. Since the year 2016, the school has been covered under the Central Zone, the zone with the toughest competition as most of the prestigious schools are located in this Zone.

It gives us immense satisfaction and pride that our constant endeavour to innovate and improve in all spheres of functioning i.e infrastructure, academics, co-curricular and social activities has been recognised in the ranking by Times of India.

The school has introduced several path breaking initiatives in the field of education through which students have benefited immensely and as a result AFBBS's ranking has also shown remarkable upswing in the survey.

From being in the Top 20 Schools, in the year 2016, the school has improved its ranking in leaps and bounds over a period of 3 years to be ranked in **Top 5 schools this year in the Central Zone.**

The Times School survey ranking of AFBBS for past 5 years is annexed herewith.
