FEST REPORT

The Computer Club of the Air Force Bal Bharati-G³ conducted its annual fest from 7th-11th January 2022. The fest included events such as web designing, tech talk, tech quiz, competitive coding and gaming along with a fun event, meme-making. The events included 3 categories of participation, senior(10-12), junior(6-9) and open category. The fest kickstarted with the gaming event-'Clash Arena' with games like Rocket League Sideswipe for the junior category and Brawlhalla for the seniors. The fest was progressed with submission-based events for logo designing-'LogoAzure', web designing-'WebTech' and Meme making-'Now Memeing'. The annual computer quiz was conducted under TechFest'22 this academic session and was a complete hit with 10 finalists. Competitive coding for juniors was conducted via Microsoft Forms for HTML and for seniors it was conducted through Hackerrank for python. The coding event was a great success and marked the presence of many young budding coders in AFBBS. TechFest'22 received an impeccable response from the school and due to the support of the teacher in charge and the fest coordinators, TechFest'22 wrapped up on a good note with happy memories.
