

INTEGRITY CLUB

CLEANLINESS IN MY NEIGHBORHOOD

The members of the Integrity club worked on a summer vacation project “Cleanliness in my neighbourhood”. The guidelines for this project was provided by Rural Electrification Corporation (REC).

The Integrity club organized an interactive session on 23rd August in the School Conference Hall. It was graced by the honorable members of REC. Eight teams consisting of students of classes 6th to 12th participated in this interactive session. The project highlighted the process of garbage collection and cleanliness in their neighborhood.

It was a very informative and fruitful session where the students shared innovative ideas work towards a clean neighborhood.
