

The photography club students participated in a photography competition “SNAPSHOTS”, an online submission based competition held all over India, organised by Fundaspring platform which is a dynamic and innovative platform that serves as a bridge between Educational Service Providers and students and learners.

This Photography Competition aimed to showcase the creative talents of students in the field of photography. With a wide participation from schools all over India, the competition provided a platform for young photographers to exhibit their skills and vision.

Despite fierce competition, Air Force Bal Bharati School emerged as a standout performer in the event, securing two significant prizes. Aasim Tauqueer of class X and Prakriti Devrani of class XI, representing our school, demonstrated exceptional talent and dedication, earning recognition on a national scale by coming in the top 10 photographers.
