

## Van Mahotsav ( Sapling Distribution Drive 2023)

The Department of Forests and Wildlife, Government of National Capital Territory of Delhi organised a plantation drive for school students on 9.07.23 at the Indian Agricultural Research Institute, Pusa Road.

The programme was attended by 2 teachers and 3 students of our school. The students were given 6 saplings of Tulsi and curry patta. Two saplings have been planted in the school and the rest were distributed to the children.

The chief guest, Sh. Gopal Ray inaugurated an app for free saplings distribution and further encouraged the gathering towards keeping our city green and clean. It was an enriching experience for all.
